

LETTER OF RECOMMENDATION for MRS. ALTHEA PENN

June 29, 2011

To whom it may concern:

Mrs. Althea Penn is one of the most brilliant minds in the field of education and child development training. She has at least eighteen years of effective experience in curriculum, teaching and child daycare and development training. My sons were under her tutelage for twelve years at her daycare and The Shepherd's Training Academy (a private Christian school). She taught them and many other pupils core classes, which were: Bible (Old and New Testament), English; Lanuage/Grammar; Science; Math; History; Reading; Penmanship and Phonics ( which are not taught in many public schools). Under her leadership, Mrs. Penn made sure her staff members were also trained in CPR, first aid and fire drills and prevention. The future will give more proof of the merits of Mrs. Penn. She is and will always be an asset to any establishment.
